### **Consider this: ONE SOLITARY LIFE**

He was born in an obscure village, the child of a peasant woman.  
He grew up in still another village where He worked in a carpenter shop until He was thirty.  
Then for three years He was an itinerant preacher.  
He never wrote a book.  
He never held an office.  
He didn't go to college.  
He never visited a big city.  
He never traveled two hundred miles from the place where He was born.  
He did none of the things one usually associates with greatness.  
He had no credentials but himself.  
He was only thirty-three when the tide of public opinion turned against Him.  
His friends ran away.  
He was turned over to His enemies and went through the mockery of a trial.  
He was nailed to a cross between two thieves.  
While He was dying His executioners gambled for His clothing, the only property He had on earth.  
When He was dead, He was laid in a borrowed grave through the pity of a friend.  
Nineteen centuries have come and gone, and today He is the central figure of the human race and the leader of humanity's progress.

All the armies that have ever marched, all the navies that have ever sailed, all the parliaments that have ever sat, all the kings that ever reigned put together have not affected the life of humanity on earth as much as that One Solitary Life.

## ***RENOVATION***

We will Honor the Past and Invest in the Future  
as we embark on an amazing journey together.

Our Renovation Committee consists of Steven Porter, Tony Gosse, Renee Haines, Heber Best, David Rideout, Craig Noseworthy and David Butler.

Ralph Fagan as Communication Director, Jim Hart as Marketing Consultant, and Carrie Gosse as Special Events Co-coordinator.

### **Phase One: Exterior:**

This will include

- \* doing necessary repairs to the foundation;
- \* replacing shingles with metal roofing, old siding with new commercial grade siding, old windows with new energy efficient vinyl windows, old doors with new doors.

Estimated cost -- less than \$270,000.00

We anticipate having the first phase completed by November, 2011

We have received A & F's approval for our Capital Campaign and we welcome your donations of time, talent and treasure. Work cannot begin until the funds are in our bank account.

We are accepting donations towards this project in memory of loved ones. You / your family may be in a position to

- purchase a window as a memorial -- cost of window including installation is \$1000.00
- purchase a square of siding as a memorial -- cost per square including installation is \$250.00
- purchase a square of roofing as a memorial -- cost per square including installation is \$100.00

Many thanks to those who have started their weekly/ monthly/ one time financial contributions to the renovations: so far we have received a total of \$18377.25.

### **For your information:**

#### **What will happen to the Future Fund: New Church Building Fund?**

This is the question that many of you are asking. If you have made personal contributions to this fund, you may request to have your contributions transferred over to the renovation fund by dropping by the office and filling out a request form. We have financial records of all contributions made to this fund and we will verify the total of your contributions before making the transfer. If you have made contributions to the Future Fund: New Church Building Fund and do not make a formal request to transfer, your contributions will remain in the Future Fund: New Church Building Fund.

### **April is Organ Donor Month**

If you think about it, organ donation is about more than just giving up an organ. When you agree to be an organ donor, you're giving critically ill people the chance to have a life that was never possible before. You agree to help a young girl breathe again. You agree to give a 21-year old man the strength to have a family. You agree to help a mother come off dialysis so she can look after her children properly. You agree to help a father go back to work so he can feed his family. In short, you agree to change and even save lives.

Think about it, discuss it with your family and then register today to save someone's life. You never know: that person may be someone close to you.

### **CONFIRMATION:**

Our 2011 preparation for the Sacrament of Confirmation is about to begin. We will meet at 7pm for one hour on April 17th and May 15th. Our goal is to begin building a relationship with our candidates that will carry us into our classes in the fall. Candidates must be at least 11 years of age on or before December 31st, 2011. Candidates must be baptized and members of All Saint's Anglican Church.

*The Sacrament of Confirmation is not a requirement but a choice. Candidates will be expected to fulfill their commitment to this process. We look forward to sharing in this part of your faith journey. If confirming your faith is a choice you are ready to make, please register by calling the parish office.*

### **BAPTISMAL PREPARATION**

The celebration of the rite of Holy Baptism requires careful preparation. It is important that we support those being presented for this Sacrament with the best possible instruction as they move forward on their faith journey. Baptismal Preparation Classes will be held at All Saints on the following dates: *May 22nd, June 26th*

*To have your child baptized you must*

1. Make an appointment with a member of the Clergy,
2. Attend one of the scheduled Baptismal Preparation Classes.
3. Attend rehearsal.

For those living out of province Godparents or Grandparents are asked to represent you at the class etc.
