THE CANDLE

July 10, 2011

Honoring our Past – Investing in our Future

On June 8th, 1931 the cornerstone was laid for our present church structure and on October 31st, 1937 the new church was consecrated. This was accomplished because members of our church saw a need and responded. Over the past 80 years parishioners have continued to give to the church: for every moment, every prayer, every donation of time, talent and treasure we give God thanks.

All Saints Anglican Church will always be the people and our building will continue to stand as an outward sign of the Christian Community at work in the world.

On November 6th we will remember and celebrate 80 years of life as All Saints: 80 years of serving our Lord.

In preparation for our celebration we are gathering information and stories of days gone by: little gems for future generations. What do you remember? What stories have you been told by your parents/ grandparents ? Would you like to share them ?

If so, we'd love to hear from you.
