**Have you considered pre-authorized payments?**

If you pay your utilities, insurances etc. electronically, why not make your contributions to your church through pre-authorized payments? It's convenient: You wouldn't have to play catch-up if you are away; you wouldn't have to be concerned with finding the cash or writing a cheque to put into your envelope before heading off to church. To date there are 62 of us, who make our contributions through electronic giving: its quite easy and safe. Give us a call or drop by the office to find out more.

Ways 'n Means are beginning a new fundraising initiative for our parish. Are you a Sobeys shopper? If so how about supporting our parish by giving us your money in exchange for a Certificate of equal value to shop at Sobeys: for example a \$100.00 gift certificate will cost you \$100.00, Sobeys will give us a percentage of all certificates purchased from All Saints.

Your church could benefit from your grocery shopping. Certificates will be available in a variety of denominations to meet your needs on Wednesday, July 20th.

**Thought for today**

You may relate to one homemaker who stated: I don't do windows because . . . I love birds and don't want one to run into a clean window and get hurt. I don't wax floors because . . . I am terrified a guest will slip and get hurt then I'll feel terrible (plus they may sue me.) I don't disturb cobwebs because . . . I want every creature to have a home of their own. I don't Spring Clean because . . . I love all the seasons and don't want the others to get jealous. I don't put things away because . . . my husband will never be able to find them again. I don't do gourmet meals when I entertain because . . . I don't want my guests to stress out over what to make when they invite me over for dinner. I don't iron because . . . I choose to believe them when they say "Permanent Press." And finally: I don't pull weeds in the garden because . . . I don't want to get in God's way, He is an excellent designer!

### **Leave a Legacy: Will you consider leaving a legacy of love to your church?**

In gratitude for God's many blessings during our lifetime, we are encouraged to create a legacy gift that will continue to support God's Mission and Ministry in the world. Your gift could support an endowment fund, building fund, ministry programs, outreach projects, youth ministry, the music program or Christian education programs. When you made a planned gift, it refers to gifts made from assets accumulated during one's lifetime rather than writing a cheque from current income. Usually these gifts are bequests in a will and are part of an overall estate plan.

Legacy Gifts are typically made by:

### **A Will & Bequest**

The last will and testament provides for family and other loved ones. You can leave a gift to the church through a bequest in your will.

### **Appreciated Securities**

When you donate appreciated securities to the Church, you get a tax receipt for the full market value of the gift and pay NO tax on the gain derived from gifting the securities. It is the most tax-effective way to make a donation.

### **Charitable Remainder Trust**

Unlike a future bequest in your will, for which you get no tax benefit now, a charitable remainder trust provides you with a large donation receipt in the year you make your gift and you'll also continue to receive the trust income for life. On your death, the trust asset goes to the church. You can use cash, securities or real estate to fund a trust gift to the Church.

### **Life Insurance**

Gifts of life insurance truly make an impact on ministry, often for a very small payment. Donors who want to really make a difference to the lives of people in their faith community choose the gift of life insurance to create that impact because they are able to give significantly larger gifts than they might otherwise be able to make. You can write new insurance or use paid up policies that are an idle asset to create a win/win situation for your financial and estate tax planning and for the Anglican Church. Your gift of life insurance could support your parish, your diocese or the national church.

### **Retirement Plan Gifts: RRSPs or RRIFs**

It is now possible to leave your RRSP or RRIF surplus to the church—tax free. Ordinarily the surplus, at death, is taxed as income —often at the highest marginal tax rate. By designating your parish or the diocese as beneficiary, you will be creating a significant gift and eliminating the tax payable on death. Probate fees and will challenges are also avoided by choosing this option.

*For more information, please contact our office to arrange a meeting with our diocesan representative, Mr. Kevin Smith.*

### **Thank Offerings**

A Thank Offering has been given to PWRDF in honour of **Rev. Hobb's** 50th Anniversary of his Ordination by George & Clarissa Hiscock.

The reason God gives us wealth is so we can be generous.

Many people don't understand the importance of generosity. They hold on tightly to what they own, unaware that selfishness often causes financial difficulties.

You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God (2 Corinthians 9:11).

One man gives freely, yet gains even more; another withholds unduly, but comes to poverty (Proverbs 11:24).

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously (2 Corinthians 9:6).

### **Corporate Worship**

*"Let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another." -- Hebrews 10:24-25*

Summer is here, children are out of school and we have the opportunity to go off to our cabins for some much needed R & R. How do we not neglect our corporate worship while taking advantage of our short season?

One solution is to gather with us on Wednesday evenings at 7:30 for Holy Eucharist. Why not make it part of your weekly schedule during the summer months?
