Caring for the Earth

Underpinning our care of the earth are nine ecological virtues we can integrate into our daily living: Adaptability (looking for balance); Sustainability (right uses of resources); Frugality (living simply); Rationality (we are interdependent); Equity (justice for all forms of life); Solidarity (we are all in this together); Biodiversity (respect our differences); Sufficiency (there is enough for everyone unless we want more); Humility (knowing where we belong in the universe).

The Portrait of Honour

The Portraits of Honour mural stretches 10 feet tall by 40 feet wide and features the faces of the 157 Canadian soldiers, sailors and aircrew who have lost their lives in Afghanistan. Since Mr. Dave Sopha began this mural in December of 2008 he has painted an average of 16 hours a day, 7 days a week. He feels an overwhelming obligation to each soldier, sailor and aircrew, and to each of their families to make each portrait perfect.

The Portraits of Honour National Tour is rolling across our country. From big cities to the smallest of towns, the POH tour is making an impact on Canadians. The outpouring of patriotism, emotion and support for our Canadian Forces is overwhelming.

On Tuesday, October 25th the Portrait of Honor Tour will be stopping at our Monument of Honour. They will be there from 4pm to 5pm. Take time to show your support.

Bishop Cy asked the delegates who attended the Prayer Retreat on Oct 1 to add the following 5 items to their daily prayers. They were: 1) a priest for Labrador ; 2) synod meetings scheduled for Nov; 3) students for the ministry; 4) all baptized persons; 5) pray for our own ministry.

Good news! A person has been found to travel to Labrador to help fill this void. Please continue to pray for a successful ministry for Labrador. Our Companions on the Journey team showed us just how hungry the citizens of Labrador are for a ministry of the WORD.

We should pray that our members who attend synod meetings fulfil their agenda with God's will in mind. We should pray that our students in the ministry follow Jesus' example and that more of our people heed the calling.

We should pray for all baptized people - young and old. Let us not forget who we are. We are children of GOD. We are inheritors of the kingdom of heaven; therefore, we should act as such. We should pray for our own ministry - for our Bishop, our ministers, our lay people, our government leaders - our Premier, our House of Assembly members and especially our Prime Minister. We can influence the outcome. Our prayers can and do make a difference. Pray that GOD ALMIGHTY will guide their thoughts and their actions for the good of all people always cognizant of "God's will be done - not ours".

Taoist Tai Chi - Coming January 2012 in the parish hall if enough interest.

Tai Chi is a series of 108 moves that slowly turn and stretch the spine. The relaxed form is done so gently that people of all ages can participate, regardless of health. It uses all major muscle groups, corrects posture, improves coordination and balance, creates a profound level of relaxation and improves circulation and cardiovascular efficiency. The goal is to promote health practiced diligently. These arts and methods cultivate both body and mind to restore and maintain good health. This is a society, and everyone should feel at home and among friends. We go to relax, to learn, to help out with a project or a class and share in conversation and some tea. This is an atmosphere we hope you will experience.

Selina Benson, and Mary Butler invite you to contact them with your questions or if you would like to join. Mary 834-6327 or Selina 834-5960.
