Happy New Year !!

All Saints Anglican Parish is a family of worshipping Christians dedicated to Christian education, Spiritual growth, Outreach, Pastoral care and Fellowship.

We believe that we are here for a special purpose and that God has given us all we need to carry out His plan for us.

We believe that Jesus is always with us, showing us the way of love, the truth of the Gospel, and life everlasting.

We believe in the Spirit of God working in us, with us, through us, and for us, to fulfill His Divine will.

Glory to God, whose power, working in us, can do infinitely more than we can ask or imagine.

Thank you for all you do as His Church.

God's Story Your Story: When His Becomes Yours.

Six Week Church Experience: Mark your calendars and plan on joining us at 7:00 p.m. in the Parish Hall on January 8th, February 12th, March 11th, April 15th, May 13th and June 10th. Together we will look at how our life story is part of a grand, overarching narrative.

Our journey of faith will come alive as we explore the divine story and discover God's divine plan for us.

Confirmation:

Our Bishop will be with us at 6:30pm on January 22nd for the Sacrament of Confirmation . We have 45 candidates who will be confirming their faith at that service. Please keep them in your prayers and join them for this very special occasion.

Faith Café

Our next session will be held on January 29th at 7pm. Twelve candidates have been meeting for one hour on the last Sunday of every month since Sept 2011: these sessions are the first step of the preparation process for their Confirmation classes which will begin in September, 2012. If you plan on being confirmed with this group of 12 in January, 2013 – you must be attending our Faith Café sessions. We will accept new registrations up to our January 29th class. Any one coming forward after that date will enter Faith Café in Sept,2012 and be confirmed in January 2014.

Renovation Update:

In less than one year we have completed the exterior work on our church building with new windows, doors, siding, and roofing. Our beautiful stained glass windows will be refurbished and re-installed behind new exterior windows. A three dimensional polished stainless steel cross made by Bursey's Manufacturing Ltd. will be installed over our main entrance. New exterior lighting will shine upon our stained glass and our cross to showcase their beauty.

The interior work will begin soon and will include insulation, wiring, and plumbing. A wheelchair accessible washroom will be added, the chapel and vestry will be enlarged, our center aisle will be widened, our chancel area will be completely redone, the sound room will be moved upstairs with a new sound/ projection system, and an added room at

the back of the church will serve us well during special events. Our Seating arrangement will change slightly: the pews in our wings will be positioned on an angle. Our pews will be refurbished and our flooring will be replaced. This gives you a snapshot of the plans that have come from your suggestions and they will be completed with your continued support. Please pray that God will continue to bless us as we Honor our Past and Invest in our Future.

The following article, from a local newspaper, was found by Mrs. Ella Batten : it serves as a testimony to the commitment of the men and women of this area to their church.
