Shrove Tuesday

This is actually the day before Lent begins. The day is named for the shriving or confessing that was traditional on this day before beginning Lent. This day is also known as Fat Tuesday, because it was a time for eating the things from which one would abstain during Lent. Pancake suppers are traditional as they were a way of using up some of the ingredients not needed during Lent.

The ACW invites you to a Pancake Supper on Tuesday, Feb 21st at 5:30 pm.
Cost: \$7.00 adult and \$3.00 child.

Financial report

Day to day operation:
Total expenses for 2011 — \$348,870 Total income for 2011 — \$347,859
While we have done everything we can to cut costs, we will need a total income of \$359,800 to balance our anticipated budget for 2012. It is important that you contribute through regular envelope offerings: don't assume that someone else will pay for the ministry you expect. Many thanks for your continued support.

Some think of the church as a Winnie the Pooh pajama suit. Safe and warm, but they hope to goodness no one sees them in it. -Milton Jones

Stewardship Team

Consider for a moment that everyone on earth has the same amount of time : 24 hours per day, 168 hours each week, 525,600 minutes each year. What makes us different isn't the amount of time we have but the way we exercise our gifts and talents within that time. We can waste time; we can spend time; or we can invest our time wisely. Stewardship is about faithfully developing and using our gifts, talents and resources within the amount of time God has allotted to us. In every stewardship relationship there are two parties involved: the master who hands out the resources and will one day ask for an accounting; and the steward who is entrusted with the resources and must eventually answer for how they were invested. God is the master; he distributes gifts at his discretion. We are stewards, accountable to him for all that we do with all that we have.

As a Christian community our goal is to respond positively to God's call : to make wise use of our time, talent and treasure. We are looking for a small team of people to head up a stewardship campaign: to educate and encourage good stewardship. If this is something you have a passion for / an interest in, please contact the Parish Office at 834-4501. Our first meeting will be scheduled in early March.

Keeping a Holy Lent: What is the Season of Lent?

Lent is a season of preparation leading up to Easter. It is the forty days plus the six Sundays before Easter. (Sundays are celebrations of Jesus resurrection) For centuries, it has been observed as a special time of self examination and penitence. Lent is a time for concentration on fundamental values and priorities, and is not a time for self punishment. Throughout Lent, the worship services of the church take on a simpler tone, appropriate to this season. Banners are removed from the church. Crosses showing the risen Christ are veiled. The word Alleluia is not used in the words of the liturgy or hymns. These practices help the worshipping community to mark this season of renewal as a special time in the church year.

The custom is to mark the season of Lent by giving up some things and taking on others: we see it as a holy time of preparation. Lent is also an especially appropriate time for the sacrament of confession. While confession to a priest is not required to receive God's forgiveness, it can be a meaningful rite of reconciliation to God.

We also mark the season by attending midweek Lenten services beginning with our Ash Wednesday service on Feb 22nd at 7pm. We invite you to make these services part of your journey.

During our Sunday morning services throughout Lent we will be using a series entitled 'By My Hand: For My Sake'. Look at your hands: amazing things – two palms, ten digits, capable of working in harmony and two thumbs capable of wielding a mighty hammer or a tiny tweezer: your hands have been marvelously engineered by God. The question is why?

Our AGM is scheduled for March 4th
