THE CANDLE

April 1, 2012

Renovation Update:

Work on the interior has begun!! On Thursday a beam was installed on our east wall, materials were removed from the walls of our chapel and we were presented with the first draft of a floor plan for the western side. It is an exciting time for our Church. We need your support to ensure that this project is completed in a timely manner. The end result of this project will include a new chapel in the Southwest Corner, a balcony over the main entrance, a bathroom in the Northwest corner, the vestry will be moved to the Northeast corner and our Choir room will be relocated in the Southeast corner. The building will be newly wired, fully insulated and we will have the latest in audio and visual equipment. There will be alterations to our seating and chancel area. The center aisle will be widened and new flooring will be installed. Many thanks for your suggestions: they have assisted us in our planning. On Monday, April 16th at 7pm your renovation team will be hosting an information session on the interior renovation project. This gathering will give us an opportunity to share more detailed information on the plan and to ask for further input from members our congregation. We look forward to seeing you there.

Lasting Palm Sunday Impression:

A mother planned an activity for her two and one-half year old daughter on Palm Sunday. After having her cut and paste brightly colored construction paper coats and palm branches on a picture of Jesus riding into Jerusalem, she spread coats in the hallway, and they walked over them, shouting, "Hosanna! Blessed is he who comes in the name of the Lord!" A couple of days later, she reminded her daughter that the following Sunday was Easter. "Do you know what that means?" her mother asked. "Yes!" the little girl chirped enthusiastically. "We're going to church, and Jesus is going to come and walk on our coats!"

Take a moment this week to teach your child the true meaning of Holy Week and Easter.

Seder Meal

Passover is the oldest and most important religious festival in Judaism, commemorating God's deliverance of the Hebrews from slavery in Egypt and his creation of the Israelite people. The focal point of Passover is a communal meal, called the Seder. It is an elaborate teaching experience, intended to call people to their identity as the People of God. By using all of the senses, the Passover Seder tells the story of God's grace in history and calls the participants to experience and share in the story as their own story. There has been increasing interest among Christians in this ancient festival. There are various reasons for this renewed interest: sensitivity to cultural and societal problems and a corresponding desire to learn about others; a renewed awareness of the importance of the Old Testament Scriptures as Christian Scripture; a desire or even a need in our modern world to recover a sense of the sacred through liturgy and sacrament; the willingness to find new and innovative ways to worship; and perhaps even the enjoyment that comes from acknowledging the continuity with a 3,000 year old community of faith. On Thursday, April 5th the ACW will be hosting a Seder Meal beginning at 5:00pm in our Parish Hall. Tickets are \$8.00 each and may be purchased by calling Barb Tilley at 834-4795

Following the Seder Meal we encourage you to join us for our Maunday Thursday Service at 7pm in the Church.

We are a Scent Free Church. Please consider others and refrain from wearing scented products to church. Many of our parishioners have severe allergies to scented Products.

THE ROOM OF CROSSES

The young man was at the end of his rope. Seeing no way out, he dropped to his knees in prayer. "Lord, I can't go on," he said, "My cross is too heavy to bear." The Lord replied, "My son, if you cannot bear its weight, just place your cross inside this room. Then open another door and pick out any cross you wish." The man was filled with relief. "Thank you, Lord," he sighed, and did as he was told. As he looked around the room he saw many different crosses; some so large the tops were not visible. Then he spotted a tiny cross leaning against a wall. "I'd like that one, Lord," he whispered. And the Lord replied, "My son, that's the cross you came in with."

Book Corner

Money & Faith: The Search for Enough is edited by Michael Schut and contains short excerpts from various authors - Henri Nouwen, Wendell Barry among others - who relate finances to faith. Schut has also edited *Simple Living, Compassionate Life: A Christian Perspective* and *Food and Faith: Justice, Joy and Daily Food*.

Thanks to all who participated and supported out Skit Night, it was a great success. Due to a family commitment I was unable to attend.

Rev. Sheila.
