St. George's Day -- April 23rd

St. George has been the patron saint of England since the 14th century. He was a brave Roman soldier who protested against the Romans' torture of Christians and died for his belief. St George is also patron saint of scouts, soldiers, archers, cavalry and chivalry, farmers and field workers, riders and saddlers.

His emblem, a red cross on a white background, is the flag of England, and part of the British flag. St George's emblem was adopted by Richard The Lion Heart and brought to England in the 12th century. The king's soldiers wore it on their tunics to avoid confusion in battle.

THE CANDLE

April 22, 2012

All Saints, C.B.S. is beaming with excitement !!

Thank you to those who supported our St. George's Day Cold Plates.

Our church building proudly stands on the hill in CBS as a testimony to the past, present and future faith community at work in this area. We are currently involved with a major project that will see this building entirely renovated. The exterior has been completed with new windows, siding, roofing, and a magnificent polished stainless steel cross. The cost of this phase has been paid in full !

Work on the interior began on March 29th with reinforcements being added to our east wall. Our plans include much needed insulation and electrical, as well as a new chapel, a wheelchair accessible washroom, balcony, and the latest in audio-visual equipment. Our goal is to have all work completed and paid in full within two years.

This project will be a success because of the generous support of corporate sponsors and individuals/families like you. Many of the contributions we received for windows, siding, doors, roofing for the exterior came in as memorials to loved ones. The same opportunities will be made available as we continue with the interior work.

To honor these donations and memories, a 6 foot commemorative tree will be placed on a wall in the foyer of our church.

Don't miss this opportunity to become part of history in the making: 80 years from now, others will look to our beautiful church on the hill and celebrate the love that you put into it just as we honor and celebrate the love that was put in the same building 80 years ago.

If there is anything we can do for you, we can be reached at 834-4501 or by email at office@allsaintsparish.ca

You can also keep up with the latest news by visiting our website at www.allsaintsparish.ca

May God's Blessing surround you and yours today !

Caring for the earth

Today is **Earth Day** when we focus on our planet and reminding us to protect our air, water, and natural resources, not only for ourselves but for generations to come. This year the focus is on 'Energy and Ethics', reflecting on how we can make good choices about where and how we get and use energy.

Parish Planning

We haven't forgotten our Parish Hall in our 2012 planning: we've made application to the Diocese to replace the windows and siding on the South end of our Parish hall.

We are also looking into the possibility of hiring our own carpenters to do renovations on the two wings of our church: if you are interested in submitting an application or finding out more information on these positions please contact Steve Porter or any member of our Renovation Team.
