THANK YOU

The Ways and Means Committee would like to sincerely thank each and everyone who helped in any way to support our Spirit Of The Sea Festival and helped make it a success. Although we cannot thank everyone individually, we would certainly like to extend a very special thank you to the extra members who came on board and helped us to organize the festival, these people put a lot of time and hard work in volunteering their services. We sincerely thank all the volunteers who came along and gave us their help and all the people who gave donations. And last, but not least, we thank the people who came along to the festival and supported us during the weekend of August 17 - 19. God Bless each and every one of you.

Renovation update: Work starts up again this week!!

With the construction boom comes a shortage of workers for our contractors but thankfully an electrician will be on site this coming week to begin wiring. Once the wiring is complete on the North side and in the Chancel, everything else will move along rather quickly.

As of June 30th our church renovation fund totals \$131,108.99 and we anticipate that the work on the north side, the vestry and the chancel will cost us \$150,000 which means a shortfall of \$18,891 in funds needed to cover cost of this portion of our project. Once this is complete we will begin the next step which will include the south wall, the choir room and the chapel.

Your funds are essential: consider what you are able to donate and make that contribution today.

We are looking for six Sunday school teachers. If you are interested please contact Rev .Trevors at the church 834-4501
