Renovations Update

Work has been proceeding on the renovations on the north side of church. To date the electrical work has been completed and the insulation will be finished early next week. Also, the washroom at the back has been framed up. Hopefully, the north side of the church should be completed this fall. A financial update will be given within the next month.

10 Seconds Sermon

There is a story of a little girl who came to visit her grandmother, bringing a tale about someone in her class at school. The grandmother stopped her right there, at the start of the story.

"Before you tell me this story," she said, "first ask yourself whether it will go through three sieves. The first asks: Is it true? The second: Is it kind? The third: Is it necessary?" These are good ground-rules learned from a lifetime of sifting.

LYNDA RANDLE IN CONCERT

Don't Miss Lynda's Return Visit to St. John's – Sept. 19th – Arts and Culture Centre

You will marvel at Lynda's bottomless supply of enthusiasm as this Dove Award Winner and household favourite on the Gaither Homecoming touring circuit, shares the journey that inspired her recent new recording – 'Til the Storm Passes By'. Lynda will share the significance of the songs she has chosen for this new CD – songs which re-confirm her assured faith with gratefulness and hope. Lynda's music and message have proven cross cultural and cross generational.

This is a ministry event you won't want to miss. Come and bring a friend!
