**Lead us not into temptation**

A man decided it was time to shed some excess pounds. He took his new diet seriously, even changing his driving route to avoid his favorite bakery. One morning, however, he showed up at work with a gigantic coffee cake. Everyone in the office scolded him, but his smile remained nonetheless. "This is a special coffee cake," he explained. "I accidentally drove by the bakery this morning and there in the window was a host of goodies. I felt it was no accident, so I prayed, 'Lord, if you want me to have one of those delicious coffee cakes, let there be a parking spot open right in front.' And sure enough, the eighth time around the block, there it was!" All of us know what it is to enter the wilderness of temptation. Temptation is part and parcel of the human condition.

### Prayer

Prayer comes in many forms. It is not only us asking God for blessings, mercy or favours. There is more to it than that. Prayer is also listening; listening in the silence for God to speak to you. Prayer can be said out loud or thought of in silence. Prayer can be long-winded or one word such as "Thank you".

Prayer is an easy habit to form. Every morning as you awake, say a prayer of "thank you" for your deliverance from the night into another beautiful day. God gives you another chance to get it right and make a difference with each new day. At mid-day, say a prayer of 'adoration' for a beautiful sun-shiny or rainy day that is adorned with trees, flowers and birds, made by the hands of the mighty Creator. At supper time, remember all the goodness's God has given you throughout the day and continue to ask God for never ending mercies. At bedtimes, petition God to keep you safe during the night. Ask God to cover you with the PEACE THAT PASSES ALL UNDERSTANDING. Seek his blessings for those whom you love; for those whom you do not understand; for those whom you miss and are departed from this world. At the end of the day, you will have covered off a whole day of prayer. Prayer is the best way, which I know of, to quieten your mind, body and soul at the end of a long day while you are preparing for a good night's rest. Place your whole being into his hands and drift off to sleep confident in his love and his mercy and his ability to provide a good night's rest. Nothing supports a good night's sleep better than knowledge of the fact that our God is a LIVING God, who wants only the best for his children. St. Paul reminds us that we all are 'a child of God and an inheritor to the kingdom of heaven'.

Lent is here. Please consider this: You do not have to GIVE UP something for Lent. You can actually TAKE UP something for Lent. I suggest that you might want to take up saying more PRAYERS. Consider saying a prayer morning, noon, supertime and bedtime. Focus on JESUS. JESUS will provide the words and the feelings. This is one of my favourite prayers: "JESUS CHRIST, SON OF THE LIVING GOD, HAVE MERCY ON ME, A SINNER". I say it over and over again until I really mean it. The peace that prayer offers is beyond belief!
