Shining a light on what's happening in our parish!!

Worship

PRAYER Please pray with me that our church building at All Saint's will soon be restored to its original beauty and much more. We need our church building back to full capacity so that we can again enjoy a quiet place to reflect on God's holy word. The disruption caused by these renovations, even though they were desperately needed, is robbing us of that beautiful space where peace abounds and love thrives.

Attending church reminds me to keep my heart pure and to restore my soul so that God will want to live within me. Pray with me while we continue with the completion of our Church renovations.... prayers will keep us faithful...prayers will keep us hopeful...prayers will keep us focused on the deeds at hand...prayers will renew our convictions of our decision to attend Church services and to reach out to others when they doubt.

Jesus said that 'well' people do not need a doctor. Does He mean that good people need not go to Church? I look at it like this: After Adam and Eve disobeyed God, all humans were burdened with sin. We realize that there is only ONE sinless being, in the form of Jesus Christ, son of God; therefore, all humans fall under sin and must constantly fight against it. Attending Church services help us to keep on the right track; helps us to keep our minds pure; helps us to develop good habits; helps us to feel good about ourselves; helps us to reach out to help others on their journey. For me, personally, attending church is a **MUST**. I long for Sundays to come so I can return to our Church service where I am *refreshed* once again. Again, I ask that you pray with me for the quick completion of our beautiful All Saint's Church.

We are looking for short stories of days gone by in our church: these stories will be compiled in a booklet and distributed during our celebrations.

To imagine a new future we must always begin with understanding our past, so that the future is rooted in something real.
