Watoto Children's Choir

22 children and 11 adults from Uganda will present ***Beautiful Africa a New Generation*** at All Saints Church.

Watoto's heart is that the choir's music, combined with the children's personal stories about how the love of Jesus changed their lives will have an eternal impact on the lives of people in our community.

A freewill offering will be taken up during the concert with all donations going to support the work of Watoto. Place your offering in an envelope with your name, address and telephone number or envelope number and you will receive a tax receipt for your donation at the end of the year.

Following the concert we invite you to join us downstairs in the parish hall for a meet and greet with the choir. Refreshments will be served and The Watoto Team will offer you the opportunity to purchase their merchandise (cash or cheque only) with all monies going to support their communities.

One story:

Ruth's husband evicted her from their family home, claiming that she was not profitable to him because she had given birth to only 3 boys out of the 8 children they had together. He wanted to find another woman who could give him more sons. Ruth and her children were abandoned without care or hope. Today, she serves as a Watoto mom and has everything she needs to live a healthy and fulfilled life.

Your support will go a long way in helping Watoto to Rescue a child, Raise a leader, and Rebuild a Nation.

Employment Opportunity

All Saints Parish is currently accepting applications for a fulltime position as Custodian. Applicants must provide a certificate of conduct. DAMA: Diocesan Anglican Men's Association continues to support Belize

At their annual meeting on May 25th a motion was approved to ask each man from each parish who is a member of DAMA to give \$20.00 to purchase a chair for St. Mark's Congregation, Hattieville, Belize and that every parish men's group donate \$200.00 for a P.A. System for the Church in Belize.

They would also like to thank everyone who supported their mission to Belize: today the congregation of St. Mark's, in Belize has a new church building in which to gather because of money raised through DAMA.
