UPDATE FROM REV. SHEILA

Hi everyone: I have seen my surgeon and it appears that I will be having surgery in January which is a good thing. I look forward to getting my clearance so that I can come back to fulltime work with you. Right now my role as rector hasn't changed and I do as much of the administration work as possible from my home. Rev Robin and Rev Sam continue in their roles and with Rev Everett's assistance our goal is to ride out this storm with as little interruption as possible. If there is one thing that I need from you right now, besides your prayers, it is that you work together. We are one and with God's guidance I am confident that we will remain strong.

With love and prayers

Sheila

Worship

Education

Bible Studies:

During Lent will be Wednesday mornings from **10:00-11:30**. Location All Saints Chapel

January 1st: The Feast of the Circumcision of Christ Jesus

The Feast of the Circumcision of Christ is a Christian celebration of the circumcision of Jesus in accordance with Jewish tradition, eight days (according to the Semitic and southern European calculation of intervals of days) after his birth, the occasion on which the child was formally given his name.

The circumcision of Jesus has traditionally been seen, as explained in the popular 14th-century work the Golden Legend, as the first time the blood of Christ was shed, and thus the beginning of the process of the redemption of man, and a demonstration that Christ was fully human, and of his obedience to Biblical law.
