## Management

### It is vital that we create a scent free environment in our church

Members of our congregation have severe reactions to scented products: please respect their needs by choosing NOT TO use products with scents. It can be life threatening for those who are allergic.

### **Vestry Report:**

- \* Financially we are doing well thanks to those who continue to make regular offerings to the work of the church. Parish Financial Statements are available to you upon request.
- \* Ways N Means: Open Mic will resume on May 10th
- \* Property and Plans: Plans are underway, to replace windows and siding on the front of the parish hall this summer.
- \* Renovations: we owe \$230,000 to our parish investment fund and we will be making our first payment of \$10,000 this month. Our goal is to pay this back in full by 2017. We ask you to continue making your contributions to the renovation fund!
- \* We welcome Morris Pinsent to our Finance Team
