Worship

Baptism Family Sponsors: we are revamping this wonderful ministry and need your help. If you are currently a member of this team and would like to continue OR if you are interested in becoming part of this group, please call the office or speak to Enid Haines . This ministry involves building relationships with young families who come to us to have their child baptized. This role is an important one with very specific duties: 1. you will be partnered with a family and asked to contact them on behalf of the parish to introduce yourself and to ask if there is anything we can do. 2. you will be at the Church to meet them for the rehearsal on the Thursday night prior to Baptism. 3. you will meet them as they arrive on Sunday morning and take them to their seat where you will join them and assist them throughout the service. 4. you will do a follow up with them a couple of weeks after the baptism to see how they are doing. A meeting will be held in the near future with all who are interested.
