## Worship

### **10 Second Sermons**

**See to it that you do not** treat the Gospel only as history, for that is only transient; neither regard it only as an example, for it is of no value without faith. Rather, see to it that you make this birth your own and that Christ be born in you. This will be the case if you believe . . . But you must exercise this faith and pray while you live; you cannot establish it too firmly. This is our foundation and inheritance. (Martin Luther)
