Back to Church Sunday -- Sept 28th

How many people do you know that used to come to church but just don't anymore? Many of them are willing to give Church a try again, given the right opportunity. Back to Church Sunday is designed to be that opportunity. The most common motivation for those who would consider returning, comes straight from the soul : to be closer to God. We belong to a fantastic community of faith, doesn't it make sense to share what we know and have with others? Together, as the Body of Christ, empowered by His Spirit, we can change hearts and encourage friends, and neighbors to come. We need to intentionally reach out to those who don't attend and encourage them to come. Begin praying for this campaign. Consider who you are going to invite back to Church. **Don't forget to pass along the invitations that were given out last Sunday.**

All groups working /volunteering within our Parish with children or young persons (under 18 years), elderly, or shut-ins are required to get a criminal record certificate. Applications are available at the Parish Office or you can get them online.

The Ways and Means Committee would like to sincerely thank each and everyone who helped in any way to support our Spirit of the Sea Festival. It was a great success again this year. This year we raised approximately \$7200.00. Although we cannot thank everyone individually, we would like to extend a special thank you to the kitchen staff and helpers for serving the meal, and all the volunteers who so willingly gave their time and talent to make this event the success it was. Also, we thank all the people who gave donations and all who came along to the festival and supported us during the weekend of August 22nd. - 24th. God Bless each and every one of you.

Chaplaincy Services at Hospitals in St. John's

When you are being admitted to a hospital in St. John's you will be asked "While you are admitted to hospital, would you like to have a visit from a chaplain or pastoral care worker?" Be sure to say "Yes" if you would like a pastoral visit. You will then be asked to identify your religion and your name will be added to the chaplain's visitation list and you will then receive a visit from the denominational chaplain within a day or two.

Also, the Anglican, Roman Catholic, Salvation Army and United Church Chaplaincy Teams are participating in a pilot project to assess ways to share resources. From September 15 to December 15 the four denominations will share First-call Chaplain responsibilities at the hospitals in St. John's. This means that one chaplain will receive all **after-hours calls** (5:00 p.m. to 8:00 a.m.). That (First-call) chaplain will respond to provide pastoral support and spiritual care. The First-call chaplain will determine if the chaplain from the patient's own denomination is needed to provide particular services or supports. Patients and families can request their denominational chaplain, if they so wish. The denominational chaplains will follow-up with patients seen by the First-call Chaplain. Patients and families will have opportunity to provide feedback on this pilot project.
