Management

Certificate of Conduct

All individuals working /volunteering within our Parish with children or young persons (under 18 years), elderly, or shut-ins are required to get a criminal record certificate. Applications are available at the Parish Office or you can get them online. With a letter from the parish this will be done at no cost to you. Anyone without a certificate are not permitted to be involved with these ministries.

Hall Walkers

Please note that Hall Walkers on Mondays and Wednesdays have been discontinued.

Financial contributions:

Quarterly Reports will be available early in October. They will show what you have given to the church up to the end of September. If for some reason you haven't made a contribution so far this year, we pray that you will make an effort to give what you can. Ministry depends on you.

Your contributions pay the utilities every month, pay staff salaries, pay for youth ministry, visitations to our sick and shut ins, personal care homes, hospitals, etc. They also enable us to open our hall to the Guiding Movement, Food Bank, Al-anon, CLB, Choices for Youth, to name just a few.

Imagine if we couldn't do these things ??

Volunteers Needed!!

Our Fall Fair is scheduled for November 11th

With cold plate takeouts on Nov 13th, 14th and 15th

We need your help to ensure a fun filled successful event again this year.

Give us a call at 834-4501 if you are interested in joining the team.

Worship Schedules are ready for pick up at the back of the church, at the office or on our parish website. Captains: Please ensure that your team members get theirs.

OUTREACH

Chaplaincy Services at Hospitals in St. John's

When you are being admitted to a hospital in St. John's you will be asked "While you are admitted to hospital, would you like to have a visit from a chaplain or pastoral care worker?" Be sure to say "Yes" if you would like a pastoral visit. You will then be asked to identify your religion and your name will be added to the chaplain's visitation list and you will then receive a visit from the denominational chaplain within a day or two.

Also, the Anglican, Roman Catholic, Salvation Army and United Church Chaplaincy Teams are participating in a pilot project to assess ways to share resources. From September 15 to December 15 the four denominations will share First-call Chaplain responsibilities at the hospitals in St. John's. This means that one chaplain will receive all **after-hours calls** (5:00 p.m. to 8:00 a.m.). That (First-call) chaplain will respond to provide pastoral support and spiritual care. The First-call chaplain will determine if the chaplain from the patient's own denomination is needed to provide particular services or supports. Patients and families can request their denominational chaplain, if they so wish. The denominational chaplains will follow-up with patients seen by the First-call Chaplain. Patients and families will have opportunity to provide feedback on this pilot project.

Church-run hospital struggles to cope with wounded, traumatized in Gaza

PWRDF, the relief and development arm of the Anglican Church of Canada, has sent an initial grant of \$25,000 to Norwegian Church Aid (NCA), which has been providing support to the hospital in the form of fuel, medications, medical supplies and psychosocial support for thousands of women and children affected by the offensive. Both PWRDF and NCA are members of the Action by Churches Together (ACT) Alliance, a grouping of church-based agencies responding to humanitarian needs worldwide. **Please make cheques payable to "PWRDF: and mark them for "Gaza".**
