Temporary Cemetery Caretaker Assistant

The Cemetery Committee is looking for an individual to assist our Caretaker for a period of 6 – 8 weeks beginning early May. Approximately 25 – 30 hours of work per week during the period. Work would include general debris collection and removal, assisting the Caretaker in work required to refill settled burial plots, grass cutting (if that is required by June month), and general garden type work. If you, or someone you know, are interested in this temporary position we would love to hear from you. Please drop off a brief resume or your contact information in an envelope marked "Assistant Cemetery Caretaker" to the Church Office. This would be a great position for someone who likes working outside and would like something to do for a few weeks and earn some extra money at the same time.
