Faith Café – Update

Faith Café takes place for one hour once a month and is all about coming together to learn in a fun environment. We feel it is important to run this program so that it benefits those attending in the best way possible. So on that note we are making some changes from the original plan. Faith Café is a place where children will be provided an opportunity to get comfortable with coming together in a group talking about things related to their faith. This will prepare them for the formal learning associated with the confirmation program. Therefore the schedule of faith café sessions will be laid out to flow into the start of confirmation classes.

We are extending the registration process and would like those interested in registering to do so by Monday, November 16th. To register please contact Wendy Taylor at 687-0988 or email wendy.taylor@pwgsc.gc.ca and provide the child's and parent/guardians name, phone number and email address. The first session will be for the children and parent(s)/guardian(s) and will be held prior to Christmas. The sessions for the children will start in January. Information regarding class dates/times and other relevant information will be sent out via email.

If you know of any family members or friends that may be interested in registering their child please pass this information along to them.
