Visitation is important to us and to you: Unfortunately sometimes we are unaware of your situation : if you would like a home visit from your Clergy, **please let us know.** If you know of anyone in the hospital, please let us know. Because of Privacy issues surrounding patients in hospital, the local clergy have no way of knowing who's in, unless we get a call or e-mail from the hospital Chaplain. There is no longer a list of patients provided to the parish clergy. Please call the office @ 834-4501. **If you don't inform us we have no way of knowing you are in hospital.**
