Communion in our Church.

### A note of thanks from Archdeacon David:

My family and I are very grateful for the warm welcome we have been receiving from many of you since our Bishop announced my appointment as your Parish Administrator. I am very grateful for the prayers offered, for time already spent in introductions and the patience of many as I get introduced into your parish life. I very much look forward to serving our Lord together and sharing in our collective ministry together.

I would be remiss if I did not acknowledge Rev'd Sam's incredible ministry with and for you. I was at his ordination and have watched with admiration his journey of faith and how he is so actively and lovingly fulfilling his ordination vows. His hearty laugh, a smile that makes you forget he cheers for the leafs, and his strong love of our Lord are a blessing, a true blessing to this parish.

For the past two months I have been working actively with Aura Farrell and Percy Greenslade, your wardens. I can tell you with all honesty, that you would have to travel far and wide to find two more dedicated wardens serving their church. Thank to both of you for your incredible dedication and service to your church.

It is my intention to write to the parish each week, both through the Candle, the Website and through Facebook, writing on issues I see that need our collective attention. I will also be inviting your prayers, as we collectively pray for an aspect of our ministry and/or our collective outreach into the community and into the wider world.

*David*
