**CBS/PARADISE Community Food Bank News Letter**  
**Stories that Matter**

A little girl came in a few weeks ago. She was so excited because at her birthday party, she asked her friends to bring a money donation to give to the food bank instead of gifts. While she was here, I showed her and her mom around and told her a little about the food bank. She then told me that she wanted to give her birthday money to the poor people. I gave her a hug and told her that so long as people have love they are not poor, but they still need food. What a smile she gave me, so sweet.
