## REVISED DIOCESAN GUIDELINES FOR WORSHIP AND GATHERING

**“The old has passed away; behold, the new has come”** (2 Corinthians 5.17 NIV)

The Provincial Government continues to lift long-term public health measures surrounding the COVID- 19 pandemic, which effectively means our MMOB guidance document has run its course, and therefore effective [August 10, 2021](#) we will be using our new guidelines document titled, **The New Has Come**. This new guidance has been devised based upon consultation and direction from Public Health, and is subject to change as further restrictions are eased or reinstated.

Some highlights of "**The New Has Come**" guidelines:

- Indoor public worship and faith-based activities are limited to 500 people, providing physical distancing can be achieved
- Pre-registration, while not mandatory, is still recommended, however, maintaining a contact tracing list is mandatory
- Face masks, while not mandatory, are still recommended
- Each bubble must have their own entry/exit point
- Physical contact between people is still not permitted - this would include handshaking, hugging, sharing the peace, and passing the collection plate
- Congregational and group singing permitted (maximum 30 minutes within a 60 minute service), and while not mandatory, masks are recommended
- Faith formation gatherings of children are permitted, and should follow NL Gov "After School Programs" guidelines
- Common use items such as prayer books and hymnals, etc is permitted if set aside 24 hours between uses
- Consecutive multiple gatherings must allow time between them to avoid contact between those exiting and those entering, and for disinfecting
- Home visitation is permitted, as well as acute care, long term care, and personal care homes

- Food or drink provided at Church organized social gatherings must be individually served by designated servers who are wearing masks
- Parish run social gatherings are permitted, while following specific guidelines
- Indoor use of Church properties for private rentals is permitted, however, they must provide a contact tracing list, and must sign a designated policy statement
