NEW COMPULSORY GOVERNMENT VACCINATION RECORD POLICY

All individuals over the age of 12 must present [official proof of vaccination](#) and identification before being permitted entrance into this building.”

Official Proof of Vaccination Can Be:

1. Electronic QR code provided by the Government of NL, saved on a mobile device (Government Preferred)

2. Physical copy of the QR code as provided by the Government of NL (Government Preferred)
3. Physical copy of a COVID-19 vaccination record issued by Government of NL
4. A physical or electronic copy of an official vaccination record issued outside NL

PARISH HALL HEATER REPLACEMENT CAMPAIGN

We need your help!! Vestry has just recently approved the expenditure of **\$13,000 for the replacement of six large heaters and thermostats in the lower level of our Parish Hall**. This is both a safety and revenue affecting issue. Over the past winter, for safety reasons, we were forced to turn off the electrical breakers to these units, and fortunately (or unfortunately), due to the COVID shutdown, we

did not have any activities planned for this space. But now, fortunately, things are looking somewhat brighter with respect to getting a little closer back to normal.

We have been fortunate to have a parishioner who is an electrician, and he has been gracious enough to help us “cripple along”. Unfortunately, the time has come that we are now forced to act. With the colder fall and winter months quickly setting in around us, we run the risk of losing some much-needed revenue that we typically generate from this facility. This includes a significant **long-term rental contract, ongoing clinics such as blood collections, flu shots, and COVID vaccinations**, to name just a few. This facility is also used for a number of our own major internal fundraising events such as our Fall Fair, ACW Dinners and Take Outs, and other catered events. As well, our weekly **Wednesday Tea Room Luncheons** could be placed in jeopardy, which in itself would once again be heartbreaking for our Parish.

We are establishing a special “Capital Donations Account” to track any funds that we hope to collect to help pay the costs of this important project. In the interim, Vestry has applied to the Diocese for permission to temporarily borrow from one of our AJIF (Anglican Joint Investment Fund) accounts, which will eventually have to be repaid from donated Capital Funds.

We look forward to your continuing support with this special need and ask. You may place an envelope marked "**Heater Replacement Fund**" in the offertory plate, or send along an eTransfer to donations@allsaintsparish.ca with a note indicating "**Heater Replacement Fund**". Or you may simply drop by the Parish Office and use our secure drop-box, or pop into the office itself.

This is so important to the sustainability of our Parish. **THANK YOU** so much!!

Our **All Saints CBS ACW Team** would like to pass along our sincere thanks to all those who purchased cold plate dinners this past week, as well as all those who helped out in any way with the preparation and distribution efforts. We could not have had such a successful event without your gracious support.

ALL SAINTS TEA ROOM - EVERY WEDNESDAY AT NOON

We would like to thank all those who continue to attend and support our Tea Room Luncheon every Wednesday at noon. We certainly look forward to seeing you each week for some great food, fun, and fellowship. To help us avoid congestion at the door, especially with the unsettling fall weather, please contact Enid Haines at 682-9367, or Aura Farrell at 682-3775.

PARISH HALL AVAILABLE FOR RENTALS

MEET YOUR VESTRY

Many thanks to the 40+ Parishioners who attended our Annual General Meeting on Sunday evening (October 03). It was great to see such a good turn-out, considering that COVID has caused us to defer it for two years. There were six Vestry positions either elected or appointed as applicable, and the current Vestry membership which were commissioned at our 10:00am service on October 17th can be viewed [here](#).
