### **CHRISTMAS WISHES AND LOSS OF LOVED ONES**

Christmas is a happy time for friends and family,  
The children are excited as they unwrap presents around the tree.

Carols are sung and lights twinkle in the night.  
Jack Frost glistens on the windows, and the snow sparkles from the  
winter moonlight.

Christmas is such a joyous time to appreciate the ones we love.  
This Christmas I want to send wishes to those we lost up above.

To some, Christmas is not the same because a loved one passed  
away,  
And the grief is overwhelming each and every day.

When the holidays approach, we miss them even more,  
Traditions never feel the same, and memories are all we have left to  
adore.

We will always remember their name and never forget their faces,  
And as long as we keep them in our hearts, they can never be erased.

So this Christmas, my wish is for everyone who is feeling a little blue  
To find some peace, joy, and comfort with everything you do.

Christmas isn't just a season; it's a feeling, and the magic never ends.  
One of its greatest gifts is to cherish family and friends.

Merry Christmas to all our special angels up above.  
Merry Christmas to you all. I send you all my love.
