An Ode to Dads

Dads are the rock that holds us strong,
A compass to guide us all along,
The foundation of our lives they create,
A stronghold of love that's never late.

With strength and support, they stand by our side,
A beacon of hope that never hides,
Dads are the world we live in each day,
And their love is what lights the way.

Melodia Ortez

What Is A Dad?

*A dad is someone who
wants to catch you before you fall
but instead picks you up,
brushes you off,
and lets you try again.*

*A dad is someone who
wants to keep you from making mistakes
but instead lets you find your own way,
even though his heart breaks in silence
when you get hurt.*

*A dad is someone who
holds you when you cry,
scolds you when you break the rules,
shines with pride when you succeed,
and has faith in you even when you fail...*
