LAND ACKNOWLEDGMENT - As we gather in this space today and commit to sharing time together, we should consider for a few moments the land on which we gather. While we think about this land, we also consider the air we breathe, the golden rays of sunshine, and even the fog, rain, and snow in these parts. For Mother Earth, her lands, her waters, and the air we breathe are the gifts she provides. We respectfully acknowledge the Island of Newfoundland as the homelands of the Beothuk and Mi'kmaq. We also respectfully acknowledge Labrador as the homelands of the Inuit and the Innu. Let us

take a moment to acknowledge all First Peoples of this land. It is this land that sustains us, and we should open our hearts and minds to the past, live in the present, and commit to building a better future for all in the spirit of Truth and Reconciliation.

Jesus heals a blind man.
