*"Mother's hands were gentle,
They're missed so very much,
I'd give the world to feel once more
Their warm and tender touch."*

~ Marian Jones

A mother gives her children stepping stones to the stars.
Her love is unconditional; Her heart has no bars.

A mother teaches her children to be confident and bold.
Her special love for her children, more valuable than silver or
gold.

A mother picks up her children and wipes away life's tears.
She scares away monsters in the night, and silences life's fears.

A mother celebrates her children's accomplishments in life.
She hurts and cries with them, when life brings times of strife.

A mother shares her love freely with her tender loving way.
She grows more beautiful to her children with each passing day.

Mother, I'm grateful for all these things that you do,
And on this special Mother's Day, I want you to know how much I
love you.

Kathryn Ann. "A Mother's Love"
