*We pause to honor those who shaped our past,
The men we loved, whose legacies outlast.
Though they have crossed to realms beyond our sight,
Their guiding wisdom still provides us light.*

*They built our stepping stones with patient hands,
And left deep footprints in life's shifting sands.
Today we celebrate the love they gave,
Remembering the gentle strength they had.*

*If heaven marks this day with special grace,
We know there is a warm and grand embrace,
For all the fathers gone, upon the family tree,
United now in peace and harmony.*

*We miss their quiet smiles and steadfast cheer,
And keep their memory beautifully near.
Though they are gone from our earthly view,
We hold them in our hearts the whole year through.*

Fathers are wonderful people
Too little understood,
And we do not sing their **praises**
As often as we should...
But **FATHERS** are just wonderful
In a million different ways,
And they merit loving **compliments**
And accolade of praise,
For the only reason Dad aspires
To **fortune** and success
Is to make the family proud of him
And to bring them **HAPPINESS...**
And like our Heavenly Father,
He's a **guardian** and a guide,
Someone that we can count on
To be **always** on our side.

Happy Fathers Day
