

Pre-Authorized Electronic Giving

All Saints Anglican Church, CBS

What is eGiving ??

- Electronic Giving, or eGiving as it is more commonly referred to, is a simple and easy method for Parishioners to provide regular financial support to their Church. It's like using your debit card, except you don't have to carry the card with you. You simply complete a form provided by the Church office, or download one from this website and drop it off at the Church office, or put it in a collection plate at one of our regular Church services. You may also continue to receive boxed offertory envelopes for those time when attending Church that you want to give something extra such as Christmas, Easter, and special Memoriams, or for other special items such as the Cemetery Fund, the Capital Fund, Building Maintenance, the Foodbank, PWRDF, etc...

The Advantages to YOU...

- **Convenience**
 - Your giving is withdrawn directly from your bank account and credited to your Church's account on a monthly or any other periodic basis that you choose.
 - There is no need for you to carry cash to the church, or write a cheque every week.
 - If you are unable to attend a regular Church Service because you're ill, on vacation, or out of town for any reason, there is no need to make special arrangements for your givings to the Church. It will happen automatically and conveniently.
 - No need to try and "catch up" when you return after being away for extended periods - you will always be up-to-date.
- **Safety**
 - There is no cash or cheque to be lost or stolen
 - During times of health issues such as the flu season, post-hospitalization, other major health scenarios
- **Confidential**
 - Your account information is stored in a confidential file
 - Each payment date, the net debit (withdrawal) to your account is sent directly to your financial institution.
- **Cost**
 - There is no cost for Direct Debit at banks and other financial institutions
